Orders were accordingly issued in Govt. Pro. no. 1211-2 dated 29th August 1907.

Nagappa of Devanayasamudra in the Mulbagal Taluk has presented a review-application praying for a re-consideration of the foregoing orders of Govt. He states that he is the lessee of the villages of Yambehalli and Madtambehalli in the Kolar Taluk, and Kammir and Kamadatti in the Mulbagal Taluk; that the said villages were granted as jodi to his ancestors and relatives and of Yagnnarayndeekshitar, who conceded a portion of their rights in them to the Majjigehalli matt from motives of charity; and that the matt was in enjoyment of them till 1905 when he, the said Narayanadeekshitar and Venkatsubbiah obtained [illegible]

Villages from the Swamy of the matt under a registered lease deed for a period of 10 years. He further represents that this lease was effected on the 10th February 1905 1905
on which date the lessees paid the Swamy Rs 6000 being the lease amount in premium, that the improvements have been effected with a hope of being compensated by the income during the rest of the period of the lease; and that the order of Govt is opposed to the spirit of the Notification of 1877 which first requires the alienor to answer before interfering with the alienation itself. He urges that the grievance if any of the matt will have to be adjudicated upon in the Civil Courts as the Govt have no jurisdiction by reason of these Villages not being Inam Villages

In submitting the Assistant Commr's English Report no. 238 dated 1st October 1909, the Dy Commr states that as the Swamigalu has been touring in Northern India and has been writing to his office requesting that the Swamy should be given an opportunity of explaining the circumstances, the enquiry could not be completed. In compliance with the Telegram, he has submitted an ad-interim report pending the subn of a detailed report after full enquiry as soon as the Swamy returns which, it is said, is expected shortly. The lands are said to have come under Govt management in Septr 1904 and the main villages are reported to have been yielding fairly good income since then.

As regards the last enquiry in the Telegram, the Dy Commr, reports that the lessees had obtained possession of the villages from the Swamigalu

But the present Executive Council who has also a local officer has not recommended, as favourable of when the file came before him as Executive Council, an opinion favourable to the Swami.

We hope the Govt will be pleased to grant the land at once and advance the money to him upto the Municipality's contribution to the Scheme.

It is also urged that the land-amount is what was being realised when the Villages were once before under the management; but such management abolished some 20 years ago.

After all the Swami is now willing to pay what the Govt have agreed to pay him.

The order of Govt did not expressly direct the dispossession of the lessees. In fact the question whether the lease should be continued was reserved for further consideration. The Dy Cr however understood the order in that sense, and took possession of the villages. It is of course absurd to contend that the lessees who gave up possn in obedience to the order of a public functionary did so voluntarily.

The taking of possn was ~~abse~~ quite wrong. The Govt in the Revn Dept could not decide the dispute between the Mathas & its lessees; and the Swami's placing the property under the Management of Govt could not [illegible]

As the Petrs have now left it to Govt to decide the matter after reconsideration, I think that we at once direct the villages to be restored to them, reserving the right to receive the rent ~~received~~ due accg to agreement on behalf of the Govt. Mr. ~~Hamilton~~ The question how long they should retain possn need not be decided by us, but may be left to be determined accg to law.

1 The position is perplexing -

2 If the villages are to be restored to the Raja (lease) & held good there is no need for Govt management, Nothing for Govt to manage or to do beyond effecting the stipulated rent from the Petitioners -

3 The villages are admittedly in the possession of Govt under Govt management - It can hardly be that the local officials took forcible possession - The surrender by the petitioners may well be regarded as acquiescence arising from the verbal stipulations alleged by the Swami - The position is however perplexing -

4 - Under para 3 of the GO no 1211 & 29 Aug 89 the most that can be done probably is to let the Petitioners hold the villages by lease from Government -

The dispossession of the Petrs took place in 1907. The Swamigalu is now expected back from his tour. The final settlement of the Petrs' claim may well wait until after the Swamis return. It may be possible to effect an amicable & equitable settlement between the parties.
The villages are devadayam inam and it is a question whether the Swamis action in leasing them for 10 years (without Committee it is alleged)

To,

The Secretary
to the Government of His Highness
the Maharaja of Mysore,
Muzari Department.

In the matter of the lease of the villages appertaining to the Majjigehalli Mutt, Kolar District.

Petitioner,
Nagappa son of Subbarayappa, residing in the village of Devarayasamudra -- Mulabagal Taluk.

The petitioner abovenamed most respectfully prays that the benign Government may be pleased to reconsider its order No. 124-2 dated the 29th August 07 and to pass such order as it may deem proper in the light of the following circumstances:-

1. That the petitioner is the lessee of the villages of Tambehalli, Medtambehalli, Kammir and Kamadatti, of which the first two are situated in the Kolar Taluk and the latter two in the Mulabagal Taluk.

2. That the said villages were granted as Jodi to the ancestors and relatives of the petitioner and another Yagnnarayndeekshitar, who conceded a portion of their rights and preveleges in them to the Majjigehalli Mutt from motives of charity and the latter was in enjoyment of them thereafter till 1905 when the petitioner, the said Narayanadeekshitar, and one Venkata Subbiah obtained lease of the villages from the Shastri of the Mutt under a registered lease deed for a period

3. That the lease was granted by the Swami on very favourable terms to himself as during the period of his possession and enjoyment he found that the -- villages did not yield sufficient income both for his maintenance and for carrying out the improvements he projected, but which he believed the lessees were able to carry out by reason of their being already in possession of portions of the villages which they maintained in a flourishing condition.

4. That this lease was effected on the 10th February 1905 on which date the lessees paid the Swami Rs.600/- of the lease amount in premium and regularly made payments thereafter to the Swami and paid the Jodi to the Government as they were enjoined to do by the lease deed.

5. That the Swami having previously made certain alienations in favour of the some persons which he - agreed by the lease deed to have settled and finding it inconvenient to abide by those terms as required by the lessees he wanted to avoid the lease and made attempts in various ways to get behind it, in all of which he -- failed and finally resorted to make his own representations to the Amildar all untrue to the extreme, which the Amildar believed and reported to the higher authorities without holding any enquiry or taking any explanation from the lessees.

6. That both the Sub Division Officer and the - Deputy Commissioner acted on that report and made a - recommendation to the Government to resume the Villages for Government management and to pay the Swami Rs.75/- a month for his subsistence.

7. That both the Sub Division Officer and the Deputy Commissioner have made this recommendation - exparte altogether ignoring the rights of the lessees and the effect/ recommendation would have against the lease.

8. That the Government has also acted on the recommendation and passed ex-parte orders without hearing the petitioner or giving ~~the~~ him any notice of the matter being dealt with by it.

9. That the order while leaving the question of the lease open for seperate settlement, the Deputy - Commissioner has in giving effect to the order has gone very much beyond it and disturbed the lessees of the - possession and enjoyment.

10. That if the purport of the order is as given - effect to by the Deputy Commissioner the petitioner submits that there are no valid grounds to annul the lease or disturb the petitioner of his possession and enjoyment of the villages.

11. That the recommendation of the Deputy Commissioner was itself un-called for as the grievance if any of the Mutt was to be the subject of adjudication as - between party and party in the Civil Courts as the - Government itself was not sized of the jurisdiction by reason of these villages not being Inam villages endowed as Devadaya to the Mutt to come within the purview of the Government Notification No. 286 dated 17th November 1877.

12. That as regards the power of the Swami to - alienate these villages it is a matter not without -- precedents in as much as the Swami has made alienations

of

of them on previous accasions and when it was the subject of decision the Inam Comrissioner has by his order dated the 19th May 1876 recognized the right of the Swamy to do so, and the allegation of the Swamy that the lessees did not pay the lease amount or the Government dues is untrue as in addition to the payment of Rs.600/- already adverted to the lessees have paid what was due to the Swamy to the very last pie for the two years and also the Government dues payable by the lessees a portion of which the Government chose and appropriated towards the arrears of previous - years, in spite of their remmitance by the lessees for the current years of the lease.

13. That it is evident from the fact of the Swamy - allowing the arrears of jodi to accumulate that during the time he was in management of the villages he was not able to realise sufficiently to pay the Government dues.

14. That the lessees in proof of the assertion that they have regularly paid the dues are prepared to produce vouchers of unquestionable authenticity if the Covernment should desire their production.

15. That the order of the Government proceeds to say that the Mutt was mismanaged which warranted the interference of the Government, but it is no where shown that the lessees were responsible to it in any way but the Swamy who has reaped an advantage by allegingacts for which no other than himself was to blame.

16. That the order of the Government is opposed to - the spirit of the Government Notification of 1877 which - first requires the alienor to answer before interfering with the alienation itself.

17. That it is an indirect method adopted by the

the Swamy is clear from the fact that the alleged mismanagement only of the villages leased and not of the other villages of which he holds possession and which -- form the endowed property of the Mutt.

18. That the allegation of the Swamy that the lease was not itself bonafide but colorable is not substantiated by good reasons and is also untrue, which the petitioner is prepared to prove with reference to the letters he has from the Swamy.

19. That the lease itself has been effected to the best advantage of the Mutt and for an amount more than what the Swamy was able to get in the average or what the --- Government derived during the 8 years of its management from Swabhanu to Virodhi ie., from 1884 to 1892.

20. That the petitioner and the other lessees will be highly prejudiced by being disturbed of the villages as they have spent considerably and effected improvements with a hope of being compensated by the income during the rest of the -- period of the lease.

21. That all the other allegations the Swamy has chosen to make against the petitioner and the other lessees are false and fabricated which the petitioner is prepared to prove provided an opportunity be given to him.

22. That the petitioner therefore most respectfully prays that the benign Government may be pleased to confirm the lease for the period covered ~~up~~ in the lease deed from the Swamy and to direct the Deputy Commissioner to restore the villages to the petitioner and the other lessees and thus confir a boon on the petitioner.

For this act of kindness the petitioners shall ever pray.

Dated the 16th January 1908.

Sir,

Since my last letter re restoration of the Math Villages to me, I understand that the Idaredars, in whose favor I executed a nominal lease, (out of which transaction, the Benign Government had to take up temporarily the management of the Villages) have now sent a notice to claim the restoration of the Villages in their favor

2 I also learn that the Subject has been referred for enquiry to the Honorable Narayanda Aiyar alleged one of the members of His Highness' Council

3. I need hardly state that the invalidity of the lease, its nominal execution and want of my power to transfer the Villages however temporary

have been fully dealt with by the

The jodi was reduced to P 1100-0 in the year 1837 as per Commissioner's order alluded to in order No. 211 of the same year from the Superintendent of the late Bangalore Division. The jody under went further deductions for land taken up for public purposes and the amount alluded to in Column 9 is now actually collected.

While the village is called a jodi holding in all the accounts as well as to the present day the superintendent's order above alluded to names it a kayemguttah village This might perhaps be an error.

The Dakhali is within the boundary of the ~~as by~~ village and are free from boundary—— dispute. Boudhs have been erected on salient points to define the boundaries.

Sir,

Adverting to your office docket No. 3543 dated the 3rd February 1908, calling for a report on the review application of one Nagappa of Devaraja Samudram, praying for the reconsideration of orders of the Government regarding the lease of Majjigehalli Matti Villages in the Kolar and Mulbagal Taluks, I have the honor to submit herewith copy of letter No. 238 dated 1st October 1909, from the Malur Sub Divisional officer, which explains itself and shows how the matter then stood.

*. with the cular re bearing subject.

2. Since then, as the Swamigalavaru who has been touring in Northern India, been writing to this Office frequently

that the villages should res
him and that he should be given an
opportunity of explaining the circum-
stances and be heard before any further
orders are passed no enquiry has been
possible and so, I deferred the report,
as no satisfactory one could be made
without hearing both the parties, more
especially as several of the allegations
of the petitioner such as improvements
effected by him, his advances to ryots
were all found to be untrue. But as
a telegram from Government was
received on the 15th inst. that a
report should be submitted within 5
days, I beg to submit this ad-interim
one, pending the submission of a
detailed report after full enquiry,
as soon as the Swamigalavaru return
which is expected shortly.

3. The villages of Jodi Kanchalla
in the Kolar Taluk and of Kanivathi
and Kanamur in the Mulbagal
Taluk belonging to the Sri

in accordance with Government Proceedings No. 1211-2 dated 29th August 1907, at the request of the Swamigalavaru. During the Management of these villages by Government in the years 1907-08, 1908-09 and 1909-10, there has been a gross income of Rs 5,253-13-8, which after deducting the Government-dues amounting to Rs: 2,835-4-0, leaves a net income of Rs 2,418-9-8, or an average of Rs. 806 and odd a year. The income during the years 1907-08 and 1908-09 was poor, being even less than Rs 600 (and hardly sufficient to pay the allowances to the Swamigalavaru) obviously owing to friction and wire pulling from behind, which had gradually to be overcome. The income for 1909-10 was, however, very good being Rs 1229-7-0 or more than double the previous years chiefly due to (a) the leasing out of certain lands which had been allowed to lay banjar till then; (b) collection of arrears of previous

years

whole to better and more efficient management which I looked into & and on generally. It can thus be seen that the villages have been yielding fairly good income and only after they came under Government management; and there is still much scope for improvement.

4 As regards the last enquiry in the telegram, I beg to state that the lessees had obtained possession the villages from the Swamigalavaru but nevertheless, they never raised any the least objection, nor caused any obstruction whatever, when, on the receipt of Government Orders for taking the villages under Government management, the Amildars of Kolar and Mulbagal Taluks assumed charge of the same; nor were the lessees in any way forcibly ousted.

Enclosure No.

Sir.

With reference to your no 4894/24 dated 10th February 1908 forwarding the copy of docket no 3543 dated the 3rd February 1908, from the Mungrai Secretary I have the honor to state that it was not possible for me to hold a full and detailed enquiry as the Swamigalu of the Majigehalli Matt has gone out on a tour of inspection and there is a local representative of his who can give useful information in the case the last hearing was fixed for 20th instant September 1908 and

case waited for the return of the Swami so long, but he has not turned up.

The question for decision is whether the lease deed executed by the Swami in favour of the petitioners is a bona fide transaction and whether the latter have paid any money to him under the lease deed. Both these points require the personal examination of the Swami.

If the question is to be decided exparte, then all the allegations of the petitioners may be taken to be proved. The lease is for a term of 10 years and the document, which bears the signature of the Swami, is duly registered. As the agents of the Matt did not manage the villages properly, they were leased for a sum of Rs 600/- a year in addition to a quit-rent of Rupees 944-12-0, which the lessees had to pay to the Government. The document does not appear to be a nominal transaction, as under the terms of the lease, the lessees have paid the rent for the year Visvavasu,

signed by the Swami himself. The rent of the following year was sent by money order and the receipt of the Swami is acknowledged by the Swamy in a letter dated 17th September 1905, written from Chandragiri. The lessees were in possession of the villages for 2 years under the terms of the lease, until the management of them was taken over by the Government.

As regards the improvements effected the Amildar of Mulbagal reports that no improvements has been effected to the lands by the lessees. The lessees assert that they have advanced money to the extent of Rs 1578-12-9 to the ryots for the cultivation of lands, but the Amildar states that they have not produced proper vouchers for the same, and that these being ordinary loans, there is no difficulty for the lessees to recover the same. The lessees do not seem to have been put to any extra expense on this account

ಬೀಸುತ್ತಿತ್ತು. ಆಗ ನಾನು ಮಳೆಯಲ್ಲಿ ನೆನೆಯುತ್ತಾ
ಪರೀಕ್ಷಾ ಕೇಂದ್ರಕ್ಕೆ ಹೋಗಿ ಪರೀಕ್ಷೆ ಬರೆದೆ. ಮನೆಗೆ
ಬಂದ ನಂತರ ಜ್ವರ ಬಂದು ಮಲಗಿಕೊಂಡೆ. ಆಗ ನನ್ನ
ಅಮ್ಮ ನನ್ನ ಹಣೆಯನ್ನು ಮುಟ್ಟಿ ನೋಡಿ ಜ್ವರ ಬಂದಿರುವುದನ್ನು
ತಿಳಿದು ಬಿಸಿ ಬಿಸಿ ಕಷಾಯ ಮಾಡಿಕೊಟ್ಟರು. ಅಮ್ಮನ
ಪ್ರೀತಿಯ ಆರೈಕೆಯಿಂದ ಮರುದಿನ ನಾನು ಚೆನ್ನಾಗಿ
ಆರೋಗ್ಯವಂತನಾದೆ.
